

ATTRACTIVE GIRLS BECOME SPONSORS FOR HOSPITAL AT FORT BLISS; PLAN POSTAL CARD SHOWER THANKSGIVING

By DOROTHY E. JOHNSTON.

MISS HELEN BEADING, the Misses Burton and Almas Orndorff, Miss Mary Cooper, Miss Frances Oppenheimer, Miss Frances Earle, Miss Marion Calhoun, Miss Dorothy Irene Vollertsen and Miss Anne Macdonald are to become sponsors at the Fort Bliss base hospital. These charming society girls, known as the X. B. club, have long been interested in the welfare of the soldiers there, and have frequently, in the past, given entertainments for them, in addition to assisting in other capacities to make the lives of the soldiers as comfortable as possible.

Other organizations are to take up the sponsorship for the various regiments—none will be overlooked, but these girls are to give their personal attention to convalescents. They start in seriously, on Sunday, when they will distribute a box of delicate cards from the Sunshine Shop of Leeds, South Carolina. They are also to give their charges picture post cards, a week prior to Thanksgiving, that mother and the home folks may have a message from "our soldier boy" at this particularly appropriate time.

The girls are also to give a special public to cooperate with them by donating cards and two-cent postage stamps for the postal card shower by November 15th for the Thanksgiving shower.

The society comedy to be given for the Navy League fund, at the Texas Grand theater, on Friday and Saturday, evenings of next week, October 26 and 27, is developing much local talent, and promises to give the audience a most enjoyable evening. The cast at the home on 1215 Arizona street at 7:30 o'clock, this evening, Miss Gene Beganey is the newest addition to the cast. The French maid, opposite Dan O. Phelan, who is allotted the character of the Swedish Mrs. Phelan, is also listed for a role, that of Mrs. Taylor, an excitable society woman, and opposite the banker, the other than Gunther Loring, the attorney, Miss Beganey was formerly a member of the Bishop players of Oakland, Calif., and prior to that played leads in stock at the Majestic in Houston.

Children's Eyes.

Now that the school season is in full swing every conscientious parent should give some thought to the subject of eye strain. During the five school hours of the day the eyes of the child are under a steady strain. Some children have perfect vision, but many more suffer from minor eye troubles that go neglected until they develop into something serious. If you know your child has weak eyes, have it to him to give the matter immediate attention. If you even suspect it you should give it the same consideration. We take special care in fitting children's eyes, and we have been backward in school work has shown marked improvement. The doctor has a pair of properly fitted glasses fitted to the child, and wait until the small eye defect becomes a serious trouble to have this attended to, bring them now and give the eyes a chance to out grow the trouble.

Mr. and Mrs. H. L. Barnes, who have been the standard optical company of the southwest, need glasses? Ask Segall. El Paso Optical Company, 108 Texas, and Oregon. Advertisement.

CORNS ACT LIKE A PUSH BUTTON

Tells why they are so painful and how to lift them right out.

If you push on an electric button you form a contact with a live wire which rings the bell. When your shoes press against your corn it pushes a sharp rod down upon a sensitive nerve and you get a shock of pain.

Instead of trimming your corns, which merely makes them grow, just slip into our drug store and ask for a quarter of an ounce of Zeno's.

This will cost very little but is sufficient to remove every hard or soft corn or callus from one's feet. A few drops applied directly upon a tender, itching corn stop the soreness instantly, and soon the corn shrivels up as it lifts right out, root and all, without pain. This drug is harmless and never inflames or even irritates the surrounding tissue or skin.—Adv.

Heal Skin Diseases

It is unnecessary for you to suffer with eczema, blotches, ringworm, rashes and similar skin troubles. A little Zeno, obtained at any drug store for 35c, or \$1.00 for extra large bottle, and promptly applied will usually give instant relief from itching torture. It cleanses and soothes the skin and heals quickly and effectively most skin diseases.

Zeno is a wonderful, penetrating, disappearing liquid and is soothing to the most delicate skin. It is not greasy, is easily applied and costs little. Get it today and save all further distress.

New Clubs At Y. W. C. A. Have Attention Of Women and Girls

CLEVER work at the Y. W. C. A. is booming. A younger business girls club has been started, on Friday Miss Blanche Campbell will start a club of girls at the high school, and junior clubs in the grade schools are being organized. After the clubs have been organized special work will be taken up, and dramatic travel and other clubs will be organized. It is hoped to have a club for Mexican girls later.

The Business Women's club has been a great success. It has already 65 members, and a campaign is now on to gain more. The women say they have found the club of indispensable importance to their lives, and they are eager to extend the privileges and pleasures to their sister-business women. The club meets on the second Tuesday of each month, and at the last meeting, in October, the entire membership was divided into three groups, the "red," "white" and "blue," with Miss Hazel Tullis as president, Miss Mary Cooper as secretary, and Miss Blanche Campbell as treasurer.

The two clubs in the new building, which is about 25 years old, and has a large room, has already been outgrown by this club, for all have meetings and social events. The club is open to all women of the city, who are invited to join the club, whose only requirement is that they be business women. The fee is minimum.

A number of the younger business girls are also interested in the extension committee of the Y. W. C. A., under the leadership of Miss Blanche Campbell, secretary, and Mrs. J. C. Barada, sponsor, as a banquet at the Y. W. C. A. rooms on Texas street. The business women's club is very active. The meeting was held with the idea of forming a younger business girls club, and the girls present were enthusiastic about the idea that a club was organized, and a nominating committee was appointed, with Miss Alice Cook, chairman. Miss Mary Steadman is chairman of the constitutional committee. Meetings are to be held on the first and third Tuesdays in the month, and at the next meeting in November, a social evening will be held. The club is open to any of the younger business girls of El Paso, up to about 21 years of age.

At the banquet there were a number of interesting addresses. Four representatives of the business women's club told of how much the club means to them. Miss Annie Callahan, Bertha Ward, Mary Courtney and Dora Feebley. Miss Elva Stryker spoke of the aims of the Y. W. C. A., and of the interest which holds the girls and general work of the Y. W. C. A. and of the interest which holds the girls and general work of the Y. W. C. A.

Zach Silvermaster will address the young women of the Y. W. C. A. automobile club on fire repairing at the Buick Motor company, 215 Mesa, at 7:30 o'clock Thursday evening.

It was a refreshing musical treat that was presented under the direction of Mrs. J. J. Pearce, to the members of the Women's club and their friends, on Wednesday afternoon. This was the final one of a series of programs that are to be given the second Wednesday afternoon throughout the club year.

The Girls' suite of the Peer Gynt music, with varying moods of joy and pathos; the mournful climax as Aase's soul takes its flight, following the insatiable hallucinations of Peer in his effort to cheer his old mother on her way to the gates of eternity; and Aase's dance, sprightly, fluteful, it was this group that furnished a fascinating introductory to the afternoon's hour of music, and played well.
